3. S4-S5 Summer Remedial Classes during post-examination period and the summer vacation (for F.4 and F.5 students)

In order to help students cope with the Diploma of Secondary Education (DSE) Examination, remedial classes will be conducted during the post-exam period and the summer vacation*. The related information will be distributed in two parts after coordination. Please note that information of remedial classes conducted during the post-examination period will be included in the post-examination and summer vacation (July) programmes time-table 【Appendix II】 whereas information of remedial classes conducted during the period from 15th July to end of August will be included in another time-table 【Appendix III】

Parents are advised to urge your children to attend the remedial class on schedule. Should the students fail to attend the class, they should apply for a leave to the school office under normal procedure. Please take note of the arrangement of venues posted in the school lobby.

Finally, parents are advised to encourage your children to study during the summer vacation in preparation for the public examinations to come. At the same time, students should pay more attention to keep a healthy body by striking a balance between study and leisure activities.

** Individual subject teachers may also need to make additional remedial arrangements. For details, please take note to the parent's letter issued by the relevant subjects.*
