Circular Ref.: 21/22-07

Dear Parents,

S2 Charity Service Learning Programme (LSP)

In order to allow our students to become part of our society by participating in community services and fulfilling the spirit of love in Christ, our school launches the Charity Service Learning Programme every year. The programme includes 3 workshops for community service training, 1 community service preparation day and 1 day for Charity Service in school. Our school has also invited professional social workers from HKFYG to provide training to our students.

We believe that the Service Learning Programme can foster students' attitude in communicating with others and cooperation skills. The Charity Service Learning Programme will be held in late September and October this year. Please make sure other activities of your child do not clash with the programme before enrolling. Thank you for your cooperation. We also welcome parents to join as a volunteer helper. Details of the programme are as follows:

To prevent the spread of communicable diseases, parents are advised to co-operate with the school by reminding students to observe personal hygiene and keep the school clean and hygienic. Please pay attention to the following:

If students enter the school campus or venue of workshop, they need to wear a mask, measure their body temperature and sanitize their hands at the entrance before the activity commences.

P.S: The number of student participants is limited. The deadline of enrollment is 15th September 2021 (Wednesday).

"There is more happiness in giving than in receiving." (ref. Acts 20:35)
